

- Conducted question paper verification by course coordinator, Professors and HOD.
- Maintained answer key, marking scheme, and sample evaluated scripts.
- Compared CO attainment with previous years and revise target levels accordingly.

6. Outcome-Based Education (OBE) Implementation

- Validate CO-PO-PSO matrix through DAC and PAC.
- Set CO and PO target levels based on past 3-year trend analysis.
- Documented direct (exam, assignment, project) and indirect (feedback, survey) attainments.
- Reviewed low-attained COs, conduct remedial sessions, and revise assessment tools.

7. Feedback Mechanism

- Collected curriculum feedback from Alumni, Employers, Parents, and Students each year.
- Summarized findings and prepare Action Taken Reports (ATRs).
- Present ATRs in BoS/PAC meetings for implementation.

8. Student Performance and Engagement

- Conducted mentoring and counseling regularly.
- Organized placement training, aptitude and communication workshops.
- Encouraged participation in NPTEL/MOOC/SkillRack courses.
- Promoted project-based learning and innovation challenges.
- Tracked alumni achievements to strengthen placement/higher education network.

9. Faculty Contributions

- Encouraged faculty to publish papers in indexed journals and apply for funded projects.
- Conducted in-house FDPs and sponsored external training.
- Implemented peer observation and mentoring among faculty.
- Recognized 100% result achievers in departmental meetings.
- Promoted NPTEL/MOOC certifications for skill upgradation.

10. Infrastructure and Learning Resources

- Prepared annual maintenance plan for labs and classrooms.
- Upgraded computers, software, and lab equipment regularly.
- Enhanced library with latest editions, e-resources, and digital access.
- Maintain stock registers and calibration records.
